

FY 2017

Stop Hunger Results

U.S.

\$2.9 million meals distributed

\$2.3 million dollars collected

Over **40,000** people volunteered

Fueled by consistent access to nutritious food, children who learn, play and thrive are more likely to achieve the education, health and employment necessary for a stable future. Stop Hunger helps children who are hungry now, but also invest in partnerships that will help prevent children from being hungry again tomorrow.
